Entering a Fixture Result

How to enter a fixture result using Fixtures Live

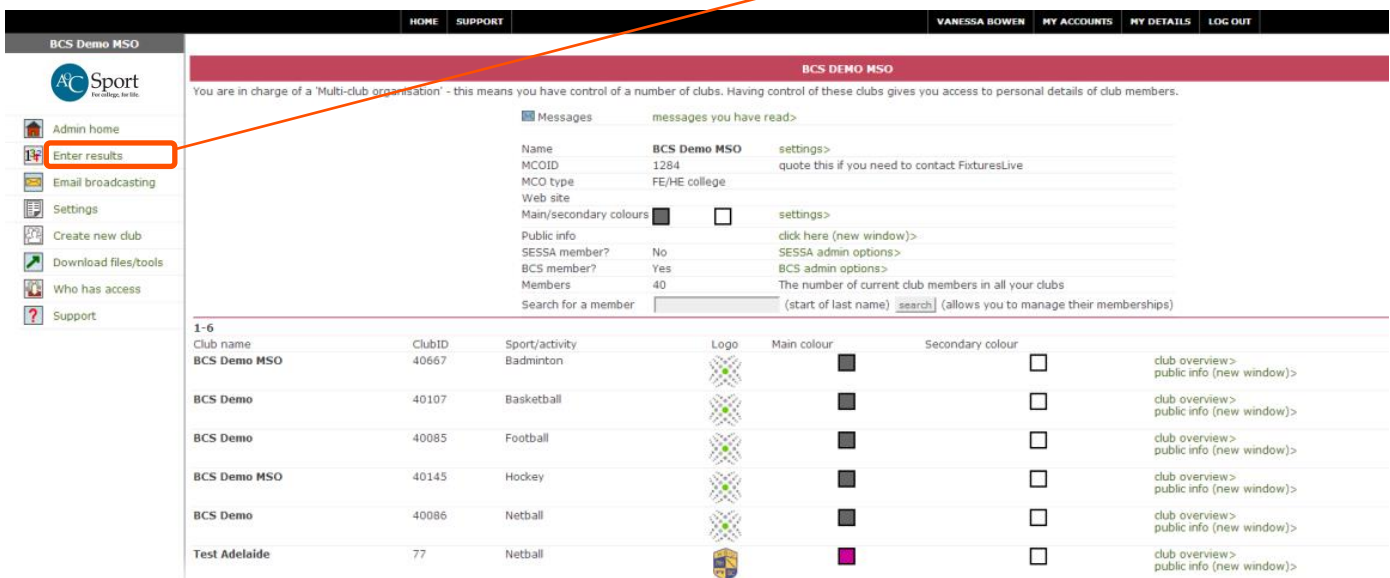

AoC Sport

12/9/2014

1. To enter your fixture result on Fixtures Live you must first log in to your Fixtures Live account. If you do not have a Fixtures Live account please contact your relevant sports contact at A Sport and they will set you up with one.
2. Once you have logged in you should click on 'My Accounts' which will bring up a page like this. You should then click on 'Multi-Club Administrator', NOT club administrator as this will not bring up your fixtures.

3. Once you are in your Multi-Club Administrator Account, click on 'Enter Results'.

- Then click on the fixture you wish to enter your result for out of the available list. If your fixture does not appear here please check the league table as it may have already been entered.

NOTES:

- The public pages are updated every minute.
- This page displays all outstanding results from all clubs associated with this organisation, only where the competition organiser allows club administrators to enter results.
- Results can be entered by the competition administrator, who can also allow the following: club administrators, team captains (via SMS, or via the web).

- Then simply enter your results for home and away and click on Enter. You should not need any of the other options under normal circumstances.

ENTER RESULTS

DLW Test League Premier Division, 12 June 2013

Test Adelaide Buzzards Test Adelaide Men's 1s

The competition administrator has given you permission to enter walkover information. This allows you to:
- enter a "penalty score", and/or
- deduct or award points**

Was this a walkover?
No Yes

Deduct points? (optional)

no points deducted no points deducted

Notes These appear alongside individual fixtures, and should be used sparingly.

NOTES

† The public pages are updated every ten minutes.

** a "penalty" score (e.g. 5-0) will be entered as a result for the team; will contribute to the league table as if the match was played, but will be excluded from the team's detailed statistics, and it will not be possible to record scorers.

** you will not be able to edit points deducted (or any other data for this match) after you submit the information.

If you have any further issues with Fixtures Live please contact your relevant sports contact at AoC Sport.
